Schaltnetzteile Switch Mode Power Supplies

Customized Solutions
Made in Germany

Hochtechnologie High technology

Ihr Spezialist für die Entwicklung und Herstellung kundenspezifischer Schaltnetzteile und Stromversorgungslösungen.

Your specialist for the development and production of customized switch mode power supply solutions.

- AC/DC, DC/DC, UPS, chargers
- PCB, open frame, complete mounted
- 0.5W – 1 KW
- Certified according to DIN ISO 9001/ISO 14001
- 50 new development projects p.a.

Industrielle Anwendungen Industrial applications

↑ optimized efficiency

Messtechnik Measurement technology

↑ plug & play, compact

Maschinenbau Machine engineering

↑ high reliability, long available

Energieversorgungssysteme Energy supply systems

↑ high temperature, convection cooled

Zugangskontrolle Access control

↑ peak power

Highlights

- Effective and large development team & lab
- Multiple output voltages
- Fanless technology (only convection cooled)
- Low leakage current
- Long life ≥ 10 years
- No power derating up to $+70^\circ\text{C}$
- Low EMC CLASS B, EN 61000-6-3
- Coating@inpotron approved by UL
- Factory surveillance: UL, SIQ, VDE, CSA, PSE, TÜV, VDS
