The reliability of your electronic systems is important for you?

**27. February–01. March 2018
in Nuremberg**

Then visit us at embedded world 2018. Where innovations and of knowledge exchange are based is no secret anymore. At the world's leading trade fair for embedded systems, you can experience the whole variety of embedded systems.

We would be very pleased to welcome you at our booth in **Hall 2 Stand 320**, where we will be at your disposal with all our specialist knowledge and concentrated competence and will be happy to advise you.

With this code you can get your free **admission ticket: B377124**. Please follow this [LINK](#) and enter the code shown here

By the way, have you already seen our imagevideo? If not, you missed something. Lean back, we'll take you with us to our ["inpotron-World"](#).

If virtual or live on the embedded, we look forward to meeting you!
