Lights, camera, action!

The new inpotron imagevideo 2017

Are you interested in the location and facility where your reliable and highquality switch mode power supplies are manufactured? You want to learn more about our company and want to have an idea regarding our facility? Maybe you are one of our longterm customers and want to learn more about how our company and products have evolved?

Unfortunately you are not able to visit our location in Hilzingen? This is a pity, but no problem at all. Check out our latest image movie – starring inpotron!

Join our world and you will be excited. We provide perfect solutions for our customers. Starting with consulting, processing to the final design. Purchasing, production and logistics – all made under one roof and MADE IN GERMANY.
